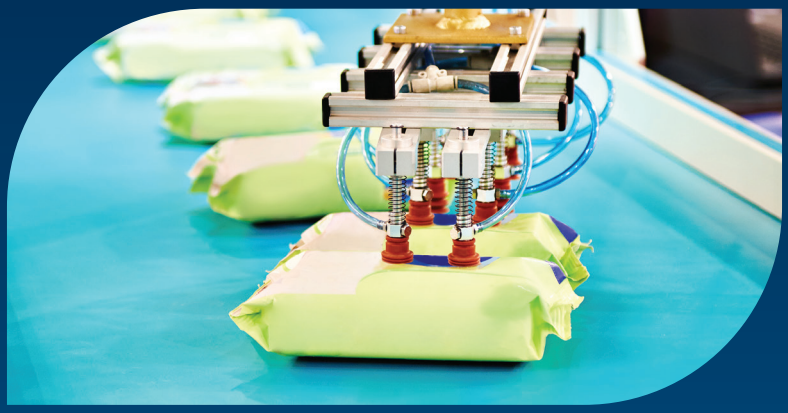
PPMA Show® 2027



Exhibitor Brochure

28–30 September 2027 • Hall 5 • NEC, Birmingham

Co-located with UK Automation Show 2027

The UK's leading Processing & Packaging event – **now bigger and better**

The PPMA Show® 2027 brings together the technologies, people and ideas driving the future of processing and packaging. Whether you're launching a new product, generating high-quality leads or strengthening relationships with existing customers, there's no better place to put your business in front of the people who matter.

- **Live Demonstration Theatre**
- **SmartScan lead capture**
- **Enhanced shell scheme with premium branded nameboards**
- **360° virtual stand tours**
- **Industry category stand icons**
- **Complimentary Networking Reception**

Automate UK Week 2027

Two Shows. One Destination. Even More Opportunities.

For the first time, the **PPMA Show® 2027** will be co-located with the **UK Automation Show 2027** as part of **Automate UK Week**. Bringing together the UK's leading exhibitions for processing and packaging machinery, automation, robotics, and machine vision, this landmark event will create the UK's largest gathering of manufacturers, engineers, specifiers and senior decision-makers. With two industry-leading exhibitions under one roof, you'll benefit from greater visibility, access to a broader audience, more networking opportunities and increased potential to generate high-quality leads.

Save 25% on your second smaller stand.

Exhibit at both shows and receive 25% off your second smaller stand, helping you extend your reach, strengthen your brand presence across both exhibitions, and maximise your return on investment.

UK Automation Show 2027

Brought to you by automate uk

Why exhibit?

Reach engaged buyers

Meet thousands of professionals actively looking for new equipment, technologies and suppliers to improve productivity, efficiency and performance.

Build lasting relationships

Strengthen existing partnerships, meet new customers and create valuable business opportunities with decision-makers from across UK manufacturing.

Increase your visibility

Extend your reach before, during and after the exhibition through an integrated programme of marketing, PR and digital promotion.

Connect beyond the show floor

Continue conversations and make valuable new contacts at our complimentary Networking Reception and throughout the three-day event.

Marketing that drives visitors

Our marketing campaign works year-round to attract high-quality visitors and maximise exhibitor visibility.

- **30+ trade publications**
- **20,000+ monthly website visitors**
- **40,000+ targeted email contacts**
- **9,000 printed show previews**
- **40,000+ digital show preview readers**
- **360° PR, paid social and sponsorship opportunities**

Big companies make great customers

Meet senior decision-makers from many of the UK's leading manufacturers.

Don't miss out, book your stand today.

Capture more leads

Our show app includes ContentCapture, an intelligent lead capture tool that instantly records visitor details, helping you capture every opportunity. Make post-show follow-ups quicker, easier and more effective, whilst maximising the value of every conversation.

Bring solutions to life

Showcase your products through live demonstrations, technical presentations and product launches.

Extend your reach

PPMA Show TV broadcasts interviews and live content across the exhibition before publishing it online to continue promoting your business long after the event has closed.
